

YARDI VENDORCafé

VENDORCafé is a self serve platform offered to our vendors, for free, that allows for one location to invoice, invoice against Pos, and track payment status for GID and for all Windsor Communities for which they provide services/supplies.

This platform transmits invoices directly into a dashboard for payment processing resulting in faster payments to our vendors for their goods and services!

The screenshot displays the YARDI VENDORCafé dashboard for a vendor named CONTINENTAL POOLS INC (v0007661). The interface includes a dark sidebar with navigation options such as Dashboard, Vendor Profile, Vendor Information, Service Type, Category, Contacts, Review and Submit, Q&A, Purchase Orders, Invoices, Create/Upload Invoice, Service Contracts, Inspections, Help, FAQ, Video Tutorials, and Sign Out. The main content area shows a 'Dashboard' header with a home icon and the vendor name. Below this, there is a 'Notifications' section with a bell icon and the text 'No new notifications.' A 'Messages' section is active, showing a table with columns for 'Messages', 'Invoices', and 'Purchase Orders'. The table lists 'Pending Messages', 'Today's Messages', and 'More Than 10 Days', each with a count of 0. The footer contains the text 'Created By: Yardi Systems Inc. © 2018. All Rights Reserved.' and links for 'DISCLAIMER', 'COPYRIGHT INFORMATION', 'PRIVACY POLICY', and 'TERMS OF USE'. The host information 'Host: trcaapp218.rasp1.yardi.com' and version 'VENDORCafe_8.2.9.04, Dated: April 12, 2019' are also visible.

Eliminate the Manual and Time Consuming invoice process and reduce the need for numerous communications by signing up for VENDORCafé!
